Math - I want to say "thank you" to the parents who are helping your child in the evening with his/her math facts. If your child has not passed all the addition and multiplication families on the 30 second drills, please take this math homework seriously. Not knowing their facts **DOES** affect their math grade.

**Announcements:**

  - A. A title page which includes your name, the date, and the name of the insect.
  - B. A paragraph telling about the insect you have chosen. This should include information about what the insect looks like, where it lives, etc.
  - C. A listing of at least ten interesting facts about the insect you have chosen.
3. If your child has lost anything, please check the Lost and Found (located in the room behind the grade school office).
4. Pastors' School is quickly approaching! Please REMEMBER that this Wednesday evening at church during the regular children's choir rehearsal, workers will be measuring all the children in the Junior 3 & 4 Choir, and the Junior 5 Choir for their Pastors' School outfits.
