12. I am so thankful to God for the opportunity He has given me to teach your child this year. We certainly have met a wide scope of challenges and victories together in these months. You have been a very enjoyable and helpful group of people with whom I have been glad to have served. Thank you for all your help with cleaning supplies, treats, stickers, prizes, and the many kind things you've done for me. God bless you as you continue to train your child for Him. Thank you for the part you allowed me to have in touching the life of your child for this short year! What a trust! Have a good and profitable summer!
