

Corporal Punishment Form

We, as parents or guardians of the student listed below, hereby give our permission to the authorities of Hammond Baptist Schools to discipline our child as they deem necessary. We understand that discipline may include a spanking and that a wooden paddle would be used. Also, we understand that the paddle may be inspected by the parents at their request. We also understand that the spanking would be administered by one of the school administrators and that no more than three spankings would be given to any student for any one offense.
