

2009 HAMMOND BAPTIST HIGH SCHOOL CAR WASH

1. The car wash will be held on Tuesday, October 13.
2. Before Tuesday, October 13, we are asking our students to obtain car wash sponsorships from businesses in the area. The selling points to a business are:
 - a. For a pledge of 10¢ per car, a business' name, address, phone number, or website address will be acknowledged as a car wash sponsor in a multi-page booklet that we will distribute to every one who gets a car wash.
 - b. For a pledge of 25¢ per car, a business may have their business card printed in the booklet. They will also receive a plaque that acknowledges their participation in our fund raiser.
 - c. For a pledge of 50¢ per car, a business will receive a full-page acknowledgement. They will also receive a plaque that acknowledges their participation in our fund raiser.
 - d. The donation is tax deductible.
3. On the day of the car wash, we are going to wash 500 cars. There is not a charge for the car wash.
4. Students who raise six cents per car (\$30 total) will be entitled to miss school in order to wash cars on October 13. They will also receive an additional personal day that can be used any day of either semester with the exception of finals week. This day will not count as an absence.
5. Students will work in groups of their choosing. The group that brings in the most pledges will receive a day long trip to their desired destination.
6. The top five students will receive a two-day, one-night trip to Chicago with a friend of their choice. Brother Hasse and his wife will chaperone the trip.
7. Half of any monies pledged in addition to ten cents per car, will be credited to the student's business office account. This may be used for tuition, Senior Trip, Swordsmen Spirit, etc.
