

Dear Sir or Madam:

My school is sponsoring a FREE CAR WASH to help raise funds for our school. I'm trying to help out with this project by asking local businesses and individuals to be one of my sponsors. Your tax-deductible donation will not only help the school, but it will help me, too, since I can also win prizes and awards.

HERE'S HOW THE FREE CAR WASH WORKS:

On October 13, we will wash the first 500 cars that come to the car wash free of charge. We will only wash 500 cars. You will not be billed for more than this. Here are some sample pledges:

1¢ = \$5 5¢ = \$25 10¢ = \$50 25¢ = \$125 50¢ = \$250 \$1.00 = \$500

I'm asking you, as my sponsor, to make a **PER CAR PLEDGE** of however much you would like **OR** give a flat amount. After the FREE CAR WASH is over, you will be sent a bill showing how many cars we washed (not to exceed 500) and the calculated amount of your donation. YOUR GIFT IS TAX-DEDUCTIBLE and you will receive a receipt for your records.

On October 13, we will distribute to each driver a multi-page booklet which acknowledges you as a sponsor. You will receive the following acknowledgements based on your pledge:

1. For a 10¢ per car pledge, your business' name, address, phone number, and website will be listed.
2. For a 25¢ per car pledge, you will be acknowledged with a copy of your business card in the booklet, and you will receive a plaque commemorating your sponsorship.
3. For a 50¢ per car pledge, you will receive a full-page acknowledgement in the booklet, and you will receive a plaque commemorating your sponsorship.

Thank you for helping my school and me, too. **Please fill in the blanks below.** Enclose no money; you will be billed later.

STUDENT'S NAME _____ CONTACT'S NAME: _____

PLEDGE PER CAR: _____ FLAT DONATION OF: _____
